Subject: - Request for Permission to Organize SWAYAM Sessions for Students and Faculty Members.

Respected Father Principal,

I hope this email finds you in good health and high spirits. I am writing to formally request your kind permission to organize two separate sessions of SWAYAM online platform awareness at Holy Cross College, Agartala. These sessions are aimed at educating our students and faculty members about the significance of SWAYAM in alignment with the National Education Policy (NEP) 2020.

As you may be aware, the NEP 2020 emphasizes the integration of online learning platforms such as SWAYAM into the educational curriculum, allowing up to 40 percent of the total credits for undergraduate level courses to be obtained through SWAYAM. Although Tripura University has yet to implement this policy, it is highly probable that it will be done in the near future. Hence, it is imperative that our students and faculty members are well-informed about the benefits and procedures associated with SWAYAM.

The first session is intended for our students, wherein they will be briefed about the importance of SWAYAM and how it can complement their academic journey under the NEP 2020. The second session will be exclusively for our esteemed faculty members, focusing on the process of designing SWAYAM online courses. Given that many faculty members of our college are eligible to design these courses, it is essential to equip the faculty members with the necessary knowledge and skills to support our students' learning objectives.

For these sessions, we are intending to extend an invitation to Prof. Swanirbhar Majumdar, Head of the Department of Information Technology at Tripura University and Local SWAYAM Coordinator, to serve as the resource person. His expertise and insights will undoubtedly enrich the learning experience for both our students and faculty members on SWAYAM.

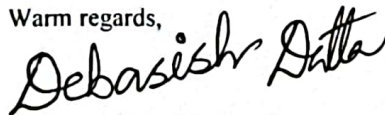

It is important to note that these sessions are part of the annual plan of action of the NDLI Club of Holy Cross College, Agartala, which aims to organize at least six (6) such programs to maintain the club's registration validity under the National Digital Library of India. Failure to meet this requirement may result in the cancellation of our NDLI Club registration by 8th February 2025.

We believe that these sessions will greatly benefit our academic community and align with our commitment to providing holistic education opportunities to our students. We assure you that all necessary arrangements will be made to ensure the smooth conduct of these sessions in accordance with the college guidelines.

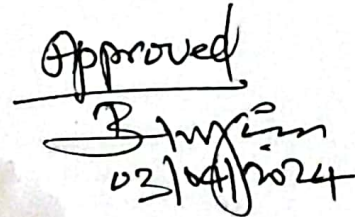

We kindly request your approval and support for this initiative, and we look forward to your favorable response at your earliest convenience. Should you require any further information or clarification, please do not hesitate to contact me.

Thank you for considering our request.

Warm regards,

Debasish Datta
Club Patron
NDLI Club of Holy Cross College, Agartala.

Subject: Invitation to Deliver Lectures on SWAYAM Online Learning Portal

Respected Prof. Swanirbhar Majumder,

I hope this letter finds you in good health and high spirits. On behalf of the NDLI Club of Holy Cross College, Agartala, I am writing to extend our heartfelt invitation to you to deliver two lectures on the SWAYAM online learning portal.

We are keen to have you share your expertise and insights with the NEP students of Holy Cross College, Agartala, and our esteemed faculty members. The lectures aim to shed light on the dynamics of SWAYAM Courses under the National Education Policy 2020 [for the students], as well as elucidate the process and procedure of formulating SWAYAM Online Courses [for the faculty members].

The schedule for the lectures is flexible, and we would be honored to host you at the Jubatara Campus of Holy Cross College, Agartala, at any convenient time between 6th to 10th May, from 9:00 AM to 3:30 PM¹. We understand the importance of accommodating your schedule and are willing to adjust accordingly.

Your extensive knowledge and experience in the field of Information Technology, particularly in relation to SWAYAM, make you an ideal candidate to guide our students and faculty members through the intricacies of SWAYAM online learning under the National Education Policy.

¹ As per the regulations delineated by Holy Cross College, Agartala, we adhere to the protocol of offering transportation services for esteemed guests, including the revered Resource Person, to and from their designated residential or occupational abode to the Jubatara Campus of Holy Cross College, Agartala, and conversely. Alternatively, should the Resource Person opt to arrange their personal transportation for their visit to the aforementioned campus, the College Administration extends its gratitude by presenting a nominal token of appreciation in the form of Rs. One thousand (1000/-) for each one-hour lecture delivered.

NDLI Club of the Holy Cross College, Agartala

Report on the Special Lecture on SWAYAM Online Platform

Organized by: NDLI Club, Holy Cross College, Agartala

Date: May 7, 2024 (Tuesday)

Time: 09:50 AM onwards

Venue: G-08 Smart Classroom

Resource Person: Prof. Swanirbhar Majumder, Head, Department of Information Technology, Tripura University a SPOC, SWAYAM

Participants: Faculty Club Members and Students Club Members, NDLI Club, Holy Cross College, Agartala

On May 7, 2024, the NDLI (National Digital Library of India) Club of Holy Cross College, Agartala, organized a Special Lecture on the SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) online platform. The lecture took place at the G-08 Smart Classroom from 09:50 AM onwards, and the invited resource person was Prof. Swanirbhar Majumder, Head of the Department of Information Technology at Tripura University and the Single Point of Contact (SPOC) for SWAYAM.

The event was primarily organized for the Faculty Club Members of the NDLI Club, but it also included participation from the Students Club Members, reflecting the institution's commitment to bridging digital learning opportunities across different academic levels.

Objective:

The primary objective of the session was to introduce the attendees to the SWAYAM platform, highlighting its scope, benefits, and the variety of courses it offers. As a government initiative, SWAYAM aims to make high-quality learning resources accessible to all students and educators in India, particularly those who may not have the means to access traditional classroom education.

Key Highlights of the Lecture:

1. Introduction to SWAYAM:

Prof. Majumder began the session by explaining the vision and mission behind the SWAYAM platform. He stressed how SWAYAM seeks to democratize education, providing learners with access to courses from India's top universities and institutes, including IITs, IIMs, and other premier institutions.

2. Courses and Certification:

The resource person delved into the structure of courses available on SWAYAM. He demonstrated how faculty members and students could enroll in courses relevant to their academic interests. These courses range from Arts and Humanities to Science, Technology, Engineering, and Mathematics (STEM) subjects. He also spoke about the certification process and how learners can earn verified certificates after successfully completing assessments.

For the faculty members, Prof. Majumder highlighted the potential of SWAYAM as a tool for professional development. He encouraged the teachers to engage with the platform to upgrade their skills, adopt newer teaching methodologies, and enhance their academic portfolios by taking SWAYAM courses or even contributing as course instructors.

4. Interactive Demonstration:

The interactive part of the lecture was particularly engaging. Prof. Majumder provided a live demonstration of the platform, guiding the participants on how to create accounts, search for courses, enroll, and navigate the dashboard. The hands-on approach helped both the faculty and students familiarize themselves with the platform in real-time.

5. Question and Answer Session:

The session concluded with a vibrant Q&A round. Faculty members and students raised queries regarding course content, credits, and the applicability of SWAYAM courses towards formal degree programs. Prof. Majumder provided clear and insightful answers, further encouraging participants to explore and use the platform.

Feedback and Impact:

The event received overwhelmingly positive feedback from the participants. The Faculty Club members appreciated the practical insights offered during the session, especially in terms of using the SWAYAM platform for both teaching and learning purposes. The Students Club members were equally enthusiastic about the opportunity to pursue courses beyond their regular curriculum, enhancing their academic and professional profiles.

Conclusion:

The Special Lecture on the SWAYAM online platform successfully met its objective of educating faculty and students about the wide array of digital learning opportunities available through SWAYAM. The NDLI Club of Holy Cross College, Agartala, once again demonstrated its commitment to enhancing digital literacy and promoting e-learning platforms for both educators and learners.

Prof. Swanirbhar Majumder's insightful lecture and practical demonstration will undoubtedly encourage the attendees to leverage SWAYAM for their academic growth, further contributing to a culture of continuous learning at Holy Cross College, Agartala.
