

PROPOSED ACTIVITIES
Internal Complaints Committee
Holy Cross College Agartala

Session 2023-24

In its periodical meeting the Internal Complaints Committee of the college had discussed about the possibilities of conducting various activities in the college to ensure healthy behavior and responsible actions of the students and staff on campus. The proposed plans of the committee are as follows ::

- In this connection it was decided that when the fresh batch of students are admitted and the new academic session begins the members of the Internal Complaints Committee, will take the initiative to create awareness amongst the students of the different departments of the college about the existence and functioning of the Internal Complaints Committee in the college.
- Special lectures by eminent persons in this field are also planned and the committee aims to invite people / guests as resource persons and organize such sessions for the students.
- Besides, the committee also plans to organize awareness programs on gender issues, that can include activities related to defense workshops, protection of women's right at workplace, awareness on health and hygiene, etc.
- When cases on abuses or harassments are registered with the committee, the committee will investigate the problem and propose the suggestions to the authority within a period of 2 (two) months from the date of registration of the complain / case.
- To conduct periodical meetings of the committee as well as of the two cells – Gender Sensitization Cell and Anti-Sexual Harassment Cell – those functions under the ICC, to ensure safety and security of all women – students and staff – in all respects on campus.
