**HOLY CROSS COLLEGE**  
Accredited by NAAC with 'A+' Grade

**Quiz Competition on  
Science for a Sustainable Future**

**About Quiz**

Science and technology for a sustainable future help us understand our environment and our impact on it, which is essential for making intelligent decisions about how to use our resources. It can also help us find solutions to problems, such as climate change and pollution, and improve the quality of life for all people. The main objective of this event is to encourage young minds and spread awareness about the sustainable development.

**Eligibility**

Undergraduate students (UG) and Postgraduate students (PG) from any recognized institution are eligible to apply
