Subject: Permission to start a Bridge Course for the students of first semester of Department of Zoology.

Respected Father,

This is to bring to your kind notice that the Department of Zoology proposes to provide a week-long Bridge Course for the students of the first semester (Academic session 2024 to 2025) from 22.07.2024 to 30.07.2024. The proposed name of the course is 'Basics of Classical Zoology'. The course will be designed to help the students to get a brief idea about their upcoming Major curriculum. We will be designing the syllabus accordingly as well. In this regard we do hereby seek your permission for arranging the aforementioned course.

Yours sincerely

Dr Rumki Nath Sen

Report on the Bridge Course titled "Basics of Classical Zoology" for 1st semester students of the academic session 2024-2025, conducted by the Department of Zoology, Holy Cross College, Agartala, from 22nd July 2024 to 30th July 2024.

A Bridge Course is designed to bridge the gap between students' prior academic knowledge and the specialized curriculum of a new program. Its goal is to provide foundational concepts that ease the transition into their major subjects. This course is aimed at giving students a basic understanding of key topics in Classical Zoology, preparing them for the upcoming semester. The syllabus is carefully crafted to introduce essential zoological concepts, serving as a vital foundation for their further studies.

With this in mind, the Department of Zoology at Holy Cross College, Agartala, organized a week-long Bridge Course from 22nd July 2024 to 30th July 2024 to ensure the 1st semester students were academically prepared and confident. The course was conducted by the department's faculty members: Dr. Rumki Nath Sen, Dr. Parichita Ray Choudhury, Dr. Subhalaxmi Bhattacharjee, Miss Piyashi Das, and Mr. Tapas Kumar Sharma. A total of 45 students participated in the Bridge Course. Upon completion of the course, an assessment was conducted in the form of multiple-choice questions (MCQ). The majority of the students performed well in the assessment and were awarded certificates upon successfully completing the course. The Bridge Course successfully equipped students with foundational knowledge, preparing them for their upcoming academic challenges.
