

REPORT ON STUDENTS' ACHIEVEMENT IN PSYCHO GALAXY 2025

The students of the Department of Psychology, Holy Cross College, Agartala, participated in Psychogalaxy 2025, a prestigious national-level competition organized by the Department of Psychology, Hislop College, Nagpur, on February 18, 2025. The event, themed "ROOTS: The Legacy of Indian Psychologists," aimed to celebrate the contributions of Indian psychologists and their impact on the field of psychology.

Student Participation and Performance

The competition provided an excellent platform for students to showcase their creativity, understanding, and insights into psychology. The students from Holy Cross College participated in various categories, including:

- Act and Create – A short film representation of psychological themes.
- Tune and Create – Expressing psychological concepts through lyrics and music.
- Move and Create – The use of dance, puppetry, or shadow art to convey psychological narratives.

A team of six students represented the Department: Pascoleo Sohtun, Pashel Amnigam Anal, Gaurav Debbarma, WatkletShuh Biam, Nicoston Mynsong, Shreyashi Paul . The official entries were sent on 14th Feb 2025 and the main event took place in online mode on 18th February 2025

The students of the Department of Psychology, Holy Cross College, secured the 2nd position, in Tune and Create – Expressing psychological concepts through lyrics and music category, demonstrating their exceptional creativity, research depth, and presentation skills. Their work was highly appreciated for its originality, relevance to the theme, and insightful portrayal of psychological concepts.

Conclusion

The participation in Psychogalaxy 2025 provided a valuable learning experience for the students, allowing them to explore and present psychological ideas in engaging and innovative formats. Their commendable achievement in securing the 2nd rank is a testament to their dedication and enthusiasm for the field of psychology.

The Department of Psychology, Holy Cross College, extends heartfelt congratulations to the team for their outstanding performance and encourages future participation in similar academic and creative endeavours.
