Report on Recreational Trip

The Department of English, Holy Cross College, Agartala had organized a Departmental Recreational Trip to Dumboor Lake with the students of the 5th semester on 14th December, 2024. About 56 students from the 5th semester participated. They were accompanied by the five faculty members from the Department. The purpose of the trip was to enhance students' knowledge about the place, its people and its history. The students were well aware of the cultural significance of this place in Tripura's folk culture. They were excited as well as energetic about visiting this place. They took active participation in pre-trip planning. It took 5 hours to reach the spot by college bus. Though the journey was tiring to and fro, the natural beauty of the spot was worth it. The whole troop had their breakfast, some sweets and fruits as refreshments during the journey and lunch at the spot. It was a learning experience for the students and the teachers.
