Meeting Minutes

The departmental meeting of the Department of Economics was held on 17.02.2025 at 10:50 am in Room no. G-2

Agenda:

- Evaluation of performance of the 1st Semester (Economics Major) students.
- Planning for a preparatory test.
- Other related issues.

Members Present:

- i. Sukanya Sen.
- ii. Mubdiul Hassan.

Based on the agendas the following decisions have been taken;

- The performance of the first semester students is satisfactory; however, there are six students whose performance is very poor both in terms of internal assessments as well as class performance and attendance.
- It is decided that they will be informed about their grave shortcomings, and their willingness to sit for a semester will give the department an opportunity to find alternatives to make them prepared for the upcoming examination.
- As the syllabus is completed, it is decided that the first semester students will be advised to use the library and other resources for their study.
- As the exam is near, the department will conduct preparatory tests in the coming week for the first semester students.
- There is a growing concern regarding the third semester students, as their willingness to attend classes is found to be very poor. This will also hamper the completion of syllabus in due-time. The department will notify the students to attend the classes diligently.
