Report on the Awareness Programme on “Reduction of Single Use Plastic Under Mission LiFE”

The Department of English, Holy Cross College, Agartala in collaboration with Tripura EIAC Hub Tripura State Pollution Control Board, organized an awareness programme on “Reduction of Single Use Plastic Under Mission LiFE” on 31st January 2025 in Seminar Hall (Room G-8), Holy Cross College, Agartala.

The primary objective of the event was to educate students, faculty, and staff about the detrimental effects of single-use plastic on the environment and promote sustainable practices to reduce plastic waste. The programme began with an inaugural session, where dignitaries from the Tripura EIAC Hub Tripura State Pollution Control Board were welcomed by the Faculty members of the Department of English. The invited speaker from Tripura EIAC Hub Tripura State Pollution Control Board delivered a comprehensive presentation on the impact of Single-use plastic on the environment, highlighting the need for sustainable alternatives and individual actions to mitigate plastic pollution. An interactive session was conducted, where students and teachers of Holy Cross College, Agartala engaged in a group discussion to reinforce their understanding of the issue.

The event highlighted sustainable alternatives to Single-use plastic, such as reusable bags, water bottles, and straws. The awareness programme on the reduction of Single-use plastic was a resounding success, with students demonstrating a keen interest in adopting sustainable practices. The event served as a platform for promoting environmental awareness and encouraging individuals to take action against plastic pollution. The Department of English, Holy Cross College, Agartala is committed to organizing more such initiatives to promote sustainability and environmental consciousness.
