Rev. Father,

We are glad to inform you that Dept. of Human Physiology is intended to organize an 'One-Day International Level Cancer Awareness Workshop' on 30th September, 2023 (Saturday) for under graduate and PG students, to develop the basic awareness on cancer prevention. Resource person for the workshop will be **Dr. Payel Chakraborty**, Post Doctoral Fellow, Lund University, Experimental Pathology, Department of Translational Medicine, Malmo, Sweden, and **Dr. Souvik Ghatak**, Senior Associate Scientist, Lund university, Malmo, Sweden. This workshop will be beneficial for UG and PG students across different institutes.

I hope you will grant us the permission to do the same.

Yours faithfully-

20.09.2023

DEPARTMENT OF HUMAN PHYSIOLOGY

REPORT ON ONE-DAY INTERNATIONAL LEVEL WORKSHOP ON CANCER AWARENESS

Date: 30.09.2023 (Saturday)

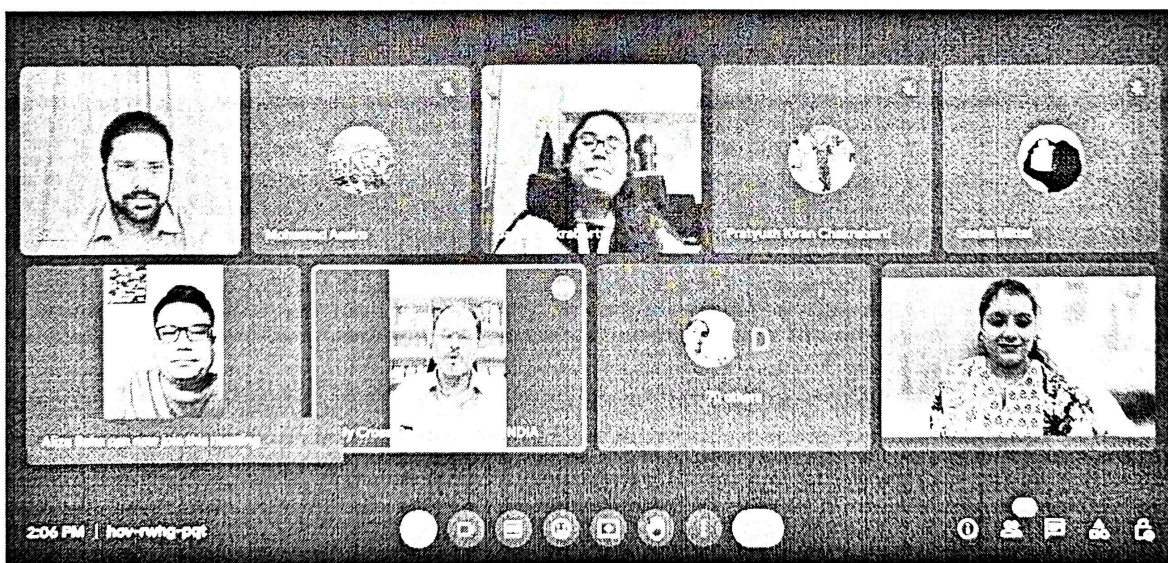

Total No of Participants: 287

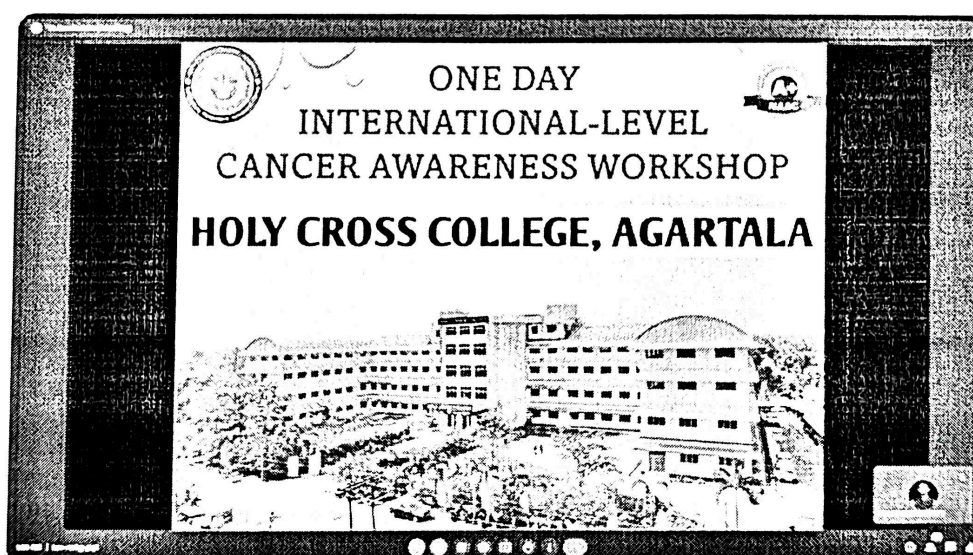

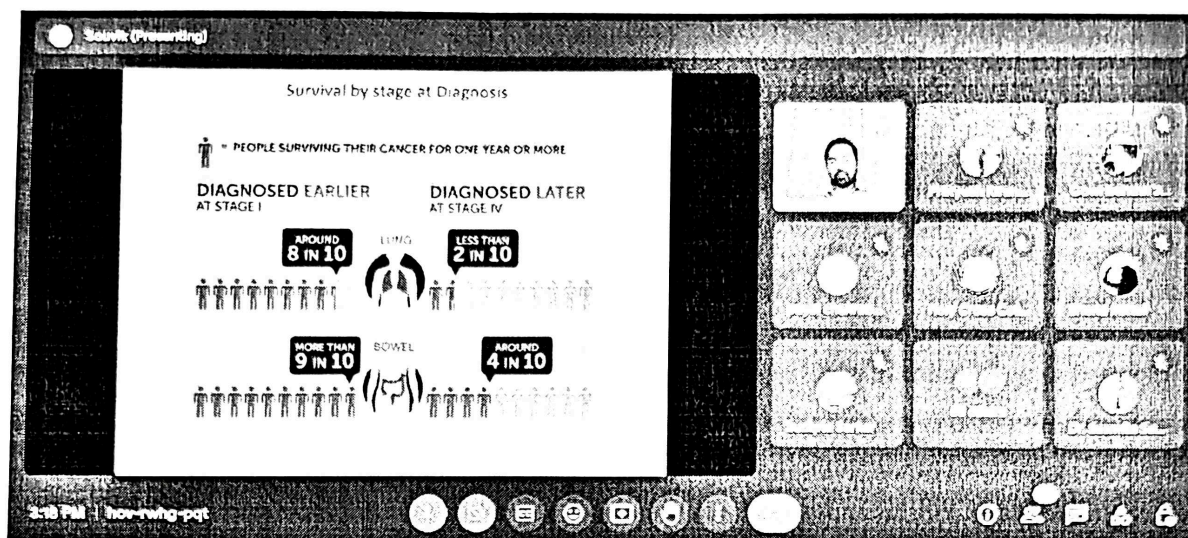

The department of Human Physiology of Holy Cross College, Agartala, India, has successfully organized a **One-Day International Workshop on Cancer Awareness on 30th September 2023**. It was commenced by a short introductory speech by Principal of Holy Cross College, Reverend Fr. Benny K John CSC in presence of all the faculty members of department of Human Physiology and other esteemed faculty members Holy Cross College, respected Resource persons and participants. The workshop aimed to aware the participants about the ongoing problems due to cancer. Dr. Payel Chakraborty (Post Doctoral fellow of Lund University, Malmo, Sweden) and Dr. Souvik Ghatak (Senior Associate Scientist of Lund University, Malmo, Sweden) served as the esteemed resource person for the workshop.

The workshop was held on 30th September, 2023 from 02:00 PM to 04:30 PM (IST). The two- and half-hour session consist of informative presentation, demonstration, and interactive discussion by both the resource persons. The workshop agenda encompassed various topics, such as, introduction to the cancer scenario, awareness about the ongoing problem, the risk factor that comes along with it, early and late cancer diagnosis, followed by question answer session to address participants queries and concerns.

The workshop witnessed substantial interest from different states like, Maharashtra, Delhi, Karnataka, Kerala, West Bengal, Tamil Nadu, Gujarat, Chhattisgarh, Uttar Pradesh, Bihar, Punjab, Hyderabad, Jammu and Kashmir, Telangana, Rajasthan, Tripura, as well as from different countries including Pakistan. The total number of 453 participants registering willingly for the event. Among the registered participants, 287 individuals actively attended and joined the workshop, showcasing their enthusiasm for the awareness workshop. Both google meet and YouTube Live platform were open for all the participants.

Following the completion of the workshop, many participants provided valuable feedback through the feedback form, reflecting the engagement and interest in the subject matter. The feedback collected from the participants shed light on the effectiveness and impact of the workshop. A significant majority of the participants expressed satisfaction with the workshop's content, rating it as highly relevant to their research interests. Dr. Payel Chakraborty and Dr. Souvik Ghatak, both were highly regarded by the participants for their expertise and engaging delivery. Participants commended the Department of Human Physiology of Holy Cross College and the resource person for their meticulous planning, seamless execution, and promote communication through the event. The workshop provided a valuable platform for networking and knowledge exchange among the participants. The interactive session and question-answer segments were highlighted as excellent opportunities for collaboration and expanding professional networks. The workshop facilitated knowledge dissemination, practical learning, and networking among the participants. This event served as a significant stepping stone in promoting the awareness of cancer worldwide.
