NOTICE

This is to inform all **First Semester students of the Department of Economics** that the **Attendance Record for the month of August (Major Classes)** has been prepared and is attached herewith for your reference.

Students are required to **check their attendance percentage carefully (Annexure - 1)**. Those whose attendance is found to be **below 75%** must submit a **written explanation letter** to the Department **on or before September 12, 2025**, clearly stating the reasons for their **attendance shortage**.

It is hereby emphasised that **regular attendance is of utmost importance**. Attendance not only determines eligibility for appearing in examinations as per university rules but also plays a crucial role in academic performance, discipline, and overall learning outcomes. Students are therefore urged to take this matter seriously and ensure regular class participation in the coming months.
