Date: 12.08.2025 To

The Principal Holy Cross College, Agartala

Subject: Participation of Students in the Special Lecture in the Department of English at TU on 14.08.2025

Respected Father,

I would like to inform you that we the teachers of PG English have received an earnest invitation from the Department of English (TU) to attend a Special Lecture on "The Representation of the Precarious Migrant Voice in Northeast Indian Anglophone Literature: A Critical Overview" on 14th August, 2025. In the response of this we would like to send our PG 3rd semester students to Tripura University so that they attend the said lecture and most importantly they get access to the parenting department of theirs. One or two teachers will accompany and pioneer the students in the program.

This participation might be considered as Students' Education Exposure

outside the campus.

I, therefore, request you to consider the case and allow us for having the scope, and oblige thereby.

Yours faithfully

Uttom Chakrabaty

Dr. Uttam Chakraborty HoD, PG English, HCC
