Report on

“Workshop on Research Methodology”

Date of Event: 20th November 2024

Place: Holy Cross College, Jubatara, Tripura(W)

No. of participants: 32

Venue: Human Physiology Classroom (F2-4) and ICT lab

Time: 9:30 AM

Department of Human Physiology, Holy Cross College, Agartala, conducted a "Workshop on Research Methodology" on November 20th, 2024. The session aimed to provide participants with comprehensive training in research paper searching and reading tricks. A total of 32 students have participated in the interaction program.

The program was chaired by Dr. Susmita, Head, Dept. of Human Physiology, Holy Cross College, Agartala. The resource persons of the workshop were all the faculty members of the host department. The program started with welcoming the participants and an introduction to the session by Dr. Susmita Saha, followed by her lecture on "Research Methodology". Next, there was an interactive lecture session by Dr. Ashish Kumar Singha on "How to read Research Paper?".

After the interactive lecture sessions, Students are taken to the ICT/Computer lab for perfect hands-on experience, where Mr. Kanak Chakraborty and Dr. Sandeep Roy Sarkar helped the students to gain practical experience through their two technical sessions up to 12:30 pm.

The interactive session received positive feedback from students and undoubtedly will be beneficial in their 5th-semester project work and in higher studies. Finally, the event concluded with a formal remark by the head of the host department.
