Subject: Request for Change of Resource Person for the Workshop on "Transforming Science Education: Embracing NEP 2020 and Fostering Scientific Temper"

Respected Fr.,

With due respect and humble submission, I wish to inform you that due to an unforeseen and serious medical emergency, our initially invited resource person, **Dr. Anamika Kar**, Assistant Professor, Amity University, Kolkata, will not be able to attend the upcoming online workshop scheduled for **Wednesday, 13th August 2025**.

As per your kind suggestion and guidance, we have made the necessary arrangements to include **Dr. Somnath Kar**, Assistant Professor, Department of Botany, Holy Cross College, Agartala, as the replacement resource person for the first session of the workshop. We are confident that his academic expertise and experience will add great value to the program and contribute meaningfully to the objectives of the workshop.

All other details, including the timing, venue, and the second session led by **Dr. SK. Maidul Rahaman**, remain unchanged as outlined in our earlier application dated **05/08/2025**.

We sincerely seek your approval for this change and remain grateful for your continued support and encouragement in organising academic enrichment programs for our students and faculty.

Thanking you once again for your kind cooperation.

Yours faithfully,
