Agenda:

- 1) Study materials preparation for upcoming semesters.
- 2) Distribution of departmental works.
- 3) Self-evaluation on student's feedback for further improvement.
- 4) Planning for distribution of students under project guide and topics as per TU norms.
- 5) Misc.

Minutes:

1. Planning was done for the preparation of the study materials. It has been decided to provide study materials within 15 days of the given class lecture.
2. Planning is done for the distribution of different departmental works among the faculties. Responsibility related to the laboratory was given to SRS Sir, all the report writing and report sending work was given to AKS Sir, Class attendance and writing of meeting minutes was given to JS Madam, and all the NAAC-related work was assigned to SS Madam.
3. Students' feedback was analyzed for further improvement. It has been decided to take classes using ICT tools.
4. Planning is done for the distribution of students under the project guide. Project topics have not been selected but, it has been decided to give review work to two students and the rest of the students will be given lab/field-based work.
5. Planning is done for mentoring-related works.
6. A proposal has been given to organize an Invited lecture during the last week of September 2023. Planning is done for the preparation of letters, brochures, and questionnaires.

Action taken Report-

Initiative #1:

Study materials are prepared and shared with respective students group within due course in google classroom by all the faculty members.

Initiative #2: Different activities and workload of department was distributed among all the faculty members equally.

All the faculty members have followed the respective responsibilities and already ^{started} working on per their assignment.

Initiative #3:

Students feedback were analysed and improvisation is going on the basis of feedback. Students are having more ICT enable classes.

Initiative #4:

5th Sem Students are distributed among all the faculty members equally to do the project work.

Initiative #5:

All the faculty members were keeping proper mentoring record.

Initiative #6:

A Workshop already organised in the month of September 2023, entitled "One-day International workshop on cancer awareness" in the month of September 2023.

Initiative # 7:

Classes for 1st Semester (Major) student has already started.

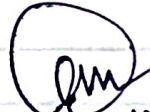

Initiative # 8:

Required lab consumables and chemicals were already purchased.

Initiative # 9:

A MoU proposal was sent to Tripura University, but rejected because the college have already a MoU with Tripura University through other sister department.

Another MoU with another Institute are in the stage of discussion.
