India is one of the fastest-growing economies, and knowledge creation and research are essential to sustaining this growth. The National Education Policy (NEP) 2020 emphasizes the importance of multidisciplinary education and flexible degree structures to enhance higher education in the country.

In line with these changes, Higher Education Institutions (HEIs) are encouraged to offer a range of Master's programs and adapt to new guidelines, such as the Learning Outcomes-based Curriculum Framework (LOCF) and the Choice Based Credit System (CBCS).

To support the implementation of NEP 2020, a Faculty Development Program (FDP) is designed to help educators understand the objectives of the policy and incorporate these insights into curricula and teaching methods, thereby improving the quality of education. The goal is to empower educators and strengthen academic standards by making higher education more flexible, accessible, and responsive to the evolving needs of students.

DEPARTMENT OF HISTORY**

To  
Dr. Fr. Benny K. John  
Respected Principal,  
Holy Cross College, Agartala,

Date: - 25.04.2025

**Subject:** Request for Permission to Initiate Process for Organising a Refresher Course/Orientation Programme in Collaboration with MMTTC, Assam University

Respected Father,

With due respect, we, on behalf of the Department of History and the Internal Quality Assurance Cell (I.Q.A.C.), Holy Cross College, Agartala, would like to seek your kind permission to initiate the process of exploring the possibilities of organising a **Refresher Course/Orientation Programme** in collaboration with the **Malaviya Mission Teacher Training Centre (MMTTC)**, Assam University, Silchar.

This initiative aims to enhance the academic enrichment and professional development of our faculty members, in alignment with the broader objectives of capacity building and quality enhancement in higher education. Collaborating with MMTTC, an esteemed training centre, would not only provide a valuable opportunity for our college but also strengthen our commitment towards excellence in teaching and learning practices.

We propose to begin preliminary discussions and formal communications with MMTTC to assess the feasibility, requirements, and potential timelines for such a programme, preferably to be scheduled in the coming months whenever it is convenient and feasible.

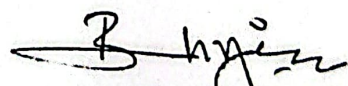

We assure you that all further developments and proposals will be submitted for your kind approval before any finalisation.

We humbly request your kind consideration and permission to move forward with this initiative.

Thank you for your support and guidance.
